

United Way
of Hunterdon County

February 2012

Dear Neighbor:

We would appreciate your assistance in getting the word out about our VITA program.

United Way of Hunterdon County is once again offering free tax preparation services to individuals and families through its IRS-certified Volunteer Income Tax Assistance (VITA) program. We are able to offer this IRS-certified service thanks to a unique partnership between the United Way of Hunterdon County and the IRS.

Individuals and families who earned a household income less than \$50,000 in 2011 qualify for this free service. The goals of this program are to provide savings on tax preparation fees as well as assist individuals and families in the claiming of tax credits such as the Earned Income Tax Credit (EITC) and the Child Tax Credit (CTC), and to encourage putting some of the return into savings accounts.

Again, the United Way tax program is completely free of charge – no hidden fees – and refunds can be e-filed with the IRS in order to receive a rapid refund without any fees. Appointments are necessary but scheduling is simple.

To schedule an appointment, call 2-1-1 or 800-272-4630; taxes are prepared at several locations around the county. Spanish-speaking preparers also are available upon request.

United Way is working to advance the common good by focusing on income, health and education. These are the building blocks for a good life - a quality education that leads to a stable job, enough income to support a family through retirement, and good health. Our goal is to invest in improving lives in Hunterdon County by creating long-lasting changes that prevent problems from happening in the first place. Sincerely,

United Way of Hunterdon County
